## PROFESSIONAL SUMMARY

Motivated and detail-oriented software developer pursuing a BSc. CSIT at Prithvi Narayan Campus. Experienced in frontend and full-stack web development with expertise in modern JavaScript technologies, responsive web design, and scalable application development. Skilled at collaborating with distributed teams, solving complex technical challenges, and delivering high-quality digital solutions. Passionate about continuous learning, software engineering best practices, and emerging technologies.

## PROFESSIONAL EXPERIENCE

### Developer & Platform Operator

February 2026 – Present | Remote

#### Mitras Trade Connect

- Develop and maintain platform features and business workflows.
- Manage operational processes and platform administration.
- Provide technical support and optimize system performance.
- Collaborate with stakeholders to improve user experience and efficiency.

### Frontend Developer

Mid-2024 – March 2026 | Remote

#### SR Holdings

- Developed modern, responsive web applications using React and Next.js.
- Built reusable UI components and optimised frontend performance.
- Worked closely with designers to deliver high-quality user experiences.
- Maintained code quality through testing, debugging, and code reviews.

### Full Stack Developer

2024 – Present

#### Synexis Softech

- Developed and maintained full-stack web applications for client and internal projects.
- Designed and integrated RESTful APIs, authentication systems, and databases.
- Implemented scalable frontend and backend architectures.
- Participated in project planning, deployment, and maintenance activities.

## EDUCATION

### BSc. Computer Science and Information Technology (BSc. CSIT)

Prithvi Narayan Campus | 2023 – Present

### Higher Secondary Education (+2 Science)

Prakash Higher Secondary School

## TECHNICAL SKILLS

### Frontend

React.js	Next.js	TypeScript	JavaScript (ES6+)	Redux
Tailwind CSS	HTML5	CSS3		

### Backend

Node.js	Express.js	REST API Development		
---------	------------	----------------------	--	--

### Database

MongoDB				
---------	--	--	--	--

### Tools

Git	GitHub	Docker	Stripe Integration	Auth.js
React Hook Form	Zod Validation	UploadThing		

## LEADERSHIP & COMMUNITY

---

### Joint Secretary

Association of CSIT Students, Prithvi Narayan Campus

- Coordinated student activities and organisational operations.
- Managed communications and documentation for academic and technical events.
- Supported initiatives focused on student engagement and professional development.

### Executive Member

Association of CSIT Students, Prithvi Narayan Campus

- Organised seminars, workshops, and technical programmes.
- Collaborated with team members to execute student-focused initiatives.
- Assisted in promoting academic and extracurricular activities.

## LANGUAGES

Nepali — Native Proficiency  
English — Professional Working Proficiency

## HOBBIES & INTERESTS

Singing | Chess | Football | Technology Exploration |  
Open-Source Learning

## CAREER OBJECTIVE

---

To establish myself as a skilled software engineer and technology professional by developing innovative and scalable software solutions, continuously expanding my technical expertise, and contributing to impactful projects that create real-world value. I aim to leverage my experience in frontend and full-stack development to build reliable, user-centric applications while growing as a leader and problem solver in the technology industry.
